THE HURRICANE MARION HIGH SCHOOL

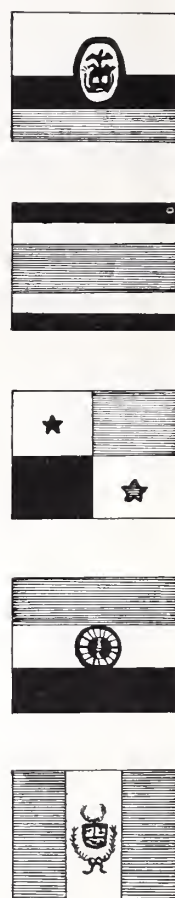

1942

DEDICATION

In these days of uncertainty and devastating war our thoughts turn to the future and to the vision of a world where the ideals of international fellowship bring peace and contentment. To these ideals we dedicate our 1942 *Hurricane*, binding together our school memories with a Pan-American theme, symbolic of our friendship and good-will toward those who stand with us in our struggle for the democratic way of life.

CLASS HISTORY

In the fall of 1938 the Marion High School Post was swarming with fresh recruits, not only from Marion Grammar Camp but also from the camps of Attoway, Adwolve and other nearby stations. Colonel W. L. Allen brought them under control, and maneuvers against such realistic enemies as Math, Science, English and History were successfully begun. The year was spent in becoming familiar with brand-new tactics.

After a three-month furlough, the group of rookies, now more self-confident, reported to their new post located on another hill east of the former position. This new camp, totally unlike the former offered not only a gymnasium, a cafeteria, a science laboratory, and an auditorium, but also new courses: Agriculture, Commercial, Industrial Arts and Home Economics. In an effort to give each soldier a greater part in camp life, the Student Cooperative Association was organized, and activities were made known through "*The Swamp Fox*," a camp newspaper. The first Glee Club of the post was initiated under the command of Mrs. Ruth Stephenson.

In 1940 the regiment entered the post stronger than ever to begin work under the supervision of Colonel W. W. Wilkerson. Never before had this group displayed such great talent. In athletics, the Juniors contributed such players as Kiser, Poe and Parks. A group of musically inclined privates were organized by Major Ward Miles into the Camp Band, which won two Superior ratings for distinguished service in contests. Betty Henritze and Bill Lemmon, with orations typical of Patrick Henry, gained medals for first places in the county forensic tournament. Dramatic ability was also manifested in the Junior force by the presentation of a group of one-act plays.

As the final year rolled around, soldiers of 1942, with the aid of younger recruits, worked to make the camp outstanding in every field. An advisory group was organized to further coordination in activities. Jim Poe was elected to command the S. C. A., and Senior soldiers displayed talents in football, basketball, and club work. National defense became a prominent feature in the camp as elsewhere over the country. A Defense Council was organized under Major Lucy T. Temple; their activities included the Victory Book Campaign, weekly collection of paper, attendance rally, weekly sale of stamps and bonds, and defense classes. The parents of soldiers in Camp Marion High became interested and organized the first High School P. T. A. as an auxiliary force to carry on the camp work.

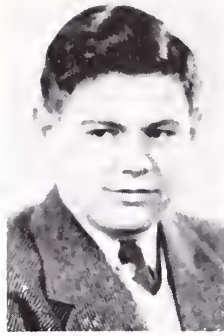

In the hearts and minds of this older, more experienced group of soldiers, memories of the years 1938-1942 will live forever, and the influence of Marion High School Camp will be constantly upon them as they take commissions in the far-flung fields of the world.

1925 - 1939

Class of 1942

SENIOR CLASS WILL OF 1942

KNOW ALL MEN BY THESE PRESENTS:

That we, the Senior Class of Marion High School of nineteen hundred and forty-two, being at present of sound mind, despite the opinion of the Faculty, and knowing well our innumerable and limited possessions, do hereby declare our last Will and Testament:

ARTICLE 1

1. To our school we leave our continued love and loyalty.
2. To the oncoming Senior Class we will our many privileges, if they are able to discover them. (We haven't!)
3. To all oncoming students we leave our teachers, who have helped us patiently and untiringly along.
4. We sincerely hope that all our shameful behavior will be forgotten and that all our "F's" will be transformed to "A's" on the eve of graduation.

ARTICLE 2

1. George Kiser passes on his second hand book, "Lovem and Leavem", to Jack Walker for continued work.
2. Margaret Funk leaves that "certain little way" to Sue Sheffey Parrish.
3. To Katherine Kearsley we leave Guilda Tibbs' quiet sophistication.
4. Mildred Crouch and her Dick leave their love to sister Elizabeth and her Dick.
5. Alvin York leaves that ferocious laugh of his to Byron Anderson.
6. Curtis Hunt and Conley Jones leave their favoritism in chemistry class to Marion Cale and Graham Gardner.
7. Bill Lemmon leaves his ability to annoy Miss Temple to Charles Seward.
8. To the future editors of the "Hurricane" Joy Wright and Mildred Lincoln leave their untiring efforts and best wishes.
9. To Mr. Miles all clarinet players willingly leave their tuneful squeaks.
10. Nellie Carter leaves her never ceasing supply of dates to the Junior girls.
11. Frances Troutman wills her Hi-Y headaches to Sally Scott.
12. Iva Parks turns over that basketball genius to Caroline Umberger.
13. Tharon Musser leaves her "willingness to work" to Dorothy Hash.
14. Lacy Testerman and Hugh Paschal will their way with a pigskin to Rudolph York and Jack Schwartz.
15. Jimmy Poe gladly turns over his S. C. A. hammer to Jack Walker.
16. Gordon Rhoads leaves all his excess energy and vitality to Mac Hash to be used in school.
17. Mildred Mason gives all her secretarial jobs to another good writer.
18. Brady Plummer leaves his middle name to Miss Scott's Latin classes for ancestral investigation. (It's Cicero.)
19. Imogene Wassum "lends" her influence in Wytheville to Madelon Snider, to be reclaimed whenever necessary.
20. Ted Russell leaves his camera, but *not* his girl, to Bobby Griffiths.

We hereby appoint our good friend, Mr. Wolfe, Executor of this, Our Last Will and Testament.

In witness whereof, we have hereunto set our hand and seal on this, the first day of June, Nineteen Hundred and Forty-two.

ADVISORY COUNCIL

The Advisory Council is composed of the S. C. A. officers, the various club presidents in the school, home room representatives, and faculty sponsors.

The purpose of the Council is to act as coordinator for all school organizations. In this way all groups feel a part of the S. C. A. The Council is interested in helping all the clubs carry out their objectives for the year, in making a school calendar, and in promoting worthwhile activities for the school as a whole. This is the first year of its organization, and it has already become a vital part of the school.

BETA CLUB

"Achievement, Character, Leadership"

Keeping in mind that the purpose of the Beta Club is to promote citizenship and leadership, encourage fellowship and achievement, and inspire honesty and tolerance, the Marion chapter in 1942 has tried to select objectives that will promote these general aims.

The Beta Club has contributed to the library, to the Defense Council, and to the Beta Education Fund; it has sponsored the "Lost and Found" department, has cooperated with the Girls' Hi-Y in running the Book Store, and has sponsored the Victory Book Campaign in cooperation with Miss Akers, school librarian, and the Library Club.

Most of the work of the club is accomplished through committees, under the leadership of the officers and the sponsor.

PERSONALITY CLUB

The Personality Club was organized early in the autumn of 1940 under the direction of Rev Paul Worley. At that time its membership was limited to seniors. This year the club's membership was extended to the entire school and now consists of seventy-one students. The scope of its activity has been broadened to cover such subjects as boy-girl relationships, problems in courtship, etiquette, and other questions which concern the lives of high school students.

GIRLS' HI-Y

The Girls' Hi-Y Club, with an enrollment of fifty members, is affiliated with the state organization and is one of the oldest organized groups of Marion High School.

Among the activities of the past year are sponsoring a rummage sale, contributing to the Piano Fund, buying song books for assembly use, distributing baskets to the needy at Thanksgiving, and sponsoring a series of Bible talks given by Mrs. Henry Stokes.

Traditional social events on the Hi-Y calendar are the annual Mother-Daughter Tea and the banquet given with the Boys' Hi-Y in honor of the high school faculty.

BOYS' HI-Y

This year the Boys' Hi-Y of M. H. S. entered the race with only nine members. In order to reach the quota of twenty-five, sixteen new members who have shown unmistakable evidences of the Christian qualities of leadership for which the Hi-Y stands, were taken into membership.

In co-operation with the Defense Council the Club has sponsored the collection of paper and has presented a patriotic program in chapel.

The main spring objective is the annual banquet with the Girls' Hi-Y. This is always an event of much interest.

MARION HIGH SCHOOL BAND

Director—WARD MILES

Since its organization in October, 1940, the Marion High School Band has continually increased in popularity. During this school year the band has been very active in furnishing music for a great number of the civic functions of Marion and has had occasion to visit nearby communities.

The band, young as it is, has an extremely enviable record. In its two years of existence it has entered four state and regional contests and has been rated Superior each time.

Among the things which the organization wishes to accomplish before the termination of this session is the purchase of needed uniforms.

GLEE CLUB

The Marion High School Glee Club has the distinction of being the second group of its kind to become affiliated with the Virginia Federation of Music Clubs.

Organized in 1940 by its present counselor and director, Mrs. Joseph Stephenson, the Glee Club has so many interests that it is hard to pick out the "highlights" of the years. The members sing for all school activities, including the baccalaureate services each year, and have given programs in almost every church in town and for many civic organizations. This year they gave a Christmas recital, assisted in a White Christmas program, and donated baskets for the needy.

Representatives from the Glee Club have appeared on the programs of the district conventions of the Virginia Federation of Music Clubs at Galax and at Marion, and have taken honors in the state High School Competitive Festivals and the state Music Club Festivals, to both of which the group sent contestants this year.

The Glee Club touches every phase of life—the school, home, church, and community—and is definitely helping to build a background for a cultural "Musical Defense" during this time of emergency.

DEFENSE COUNCIL

The Defense Council, responding to the call for "Total Defense," has set about the task of mobilizing the resources of Marion High School in an enthusiastic victory effort. These activities have received a gratifying response. The Council has enjoyed the cooperation of the students, the faculty and the community. It would be safe to say that not a home in this area has failed to support this drive in some way.

Decorated booths bearing such practical mottos as "*It Is Smart To Be Thrifty*"; "*Millionaires of 1960*"; "*Buy Defense Stamps Here*"; have been provided on each floor for the sale of stamps and bonds, and practically every student has bought a share in America.

The Victory Book Campaign was advertised with very attractive posters. The students of the Library and Beta Clubs who worked on the publicity committee deserve special mention for the originality of their ideas. The results of this campaign showed returns of 300 books and 200 pounds of magazines and newspapers.

Stressing the motto "*Produce something, save something*", a canvass was made of the student body to find out what effort each person was making to bring about Victory. Each room that was found to be 100% active was rewarded with a Victory Sticker for the door.

The Defense Council will continue to function throughout the duration of the war. It will broaden its scope to meet needs and conditions that may arise in the future. It will serve with a full measure of devotion to the cause for which America fights!

PEP CLUB

Organized to promote school spirit and better cheering, the Pep Club has a well-trained cheering section that has added much enthusiasm and color to the football and basketball games this season.

The cheerleaders are: Charles Harrington, Lucille Fulton, Katherine Kearsley, Iva Parks, and Frances Slagle. Miss Ruth Wright is sponsor of the club.

ASTRONOMY CLUB

The objective of the Astronomy Club is to learn more about the stars, moon, solar system, and the mathematics related to the study of astronomy. The meetings begin with a discussion of star positions and movements, after which the members adjourn to observe the stars discussed. On nights when the atmosphere is not clear the evenings are spent in study and map drawing. The club hopes to acquire books and instruments to help in learning more about the universe.

OFFICERS: Mildred Lincoln, President; Patricia Horne, Secretary-Treasurer; Mrs. John Anderson, Sponsor. MEMBERS: Elizabeth Crouch, Dick Dickinson, Grace McConnell, Joy Wright, Elizabeth Lamb, Margaret Funk.

MODEL AIRPLANE CLUB

Organized this year, the club has spent the first term in the construction of several small airplane models and the latter half in the construction of one hundred models for the Federal Government.

OFFICERS: Edwin Hastings, President; Wayne Faddis, Vice-President; Neil Blankenbeckler, Secretary-Treasurer; Mr. Pittman, Sponsor. MEMBERS: Billy Blackwell, Earl Cregger, Guy Haulsee, Frank Lemmon, Beryl McMillan, Joe Rector, Richard Robinson, John Scott, Jimmie Todd, Wayne Weaver, Bill Menerick.

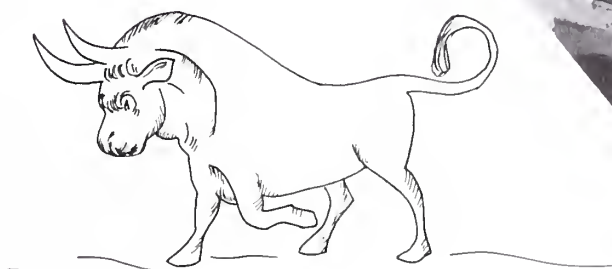

BIBLE CLASS

The class in the study of New Testament literature and history has become deeply interested in the life of Jesus and his teachings. Under the guidance of their instructor, Mrs. Henry Stokes, they are impressed with the importance of the application of Christian principles to daily life and are lead to an appreciation of the literary beauty of the Bible as well as its spiritual worth.

The members of the class are Bill Goodman, Jewel Haga, Dorothy Hash, Bena Jo Houston, Emma Johnson, Mildred Myers, Lillian Morris, Lorraine Parks, Margaret Prater, Helen Reedy, Hilda Snider, Evelyn Tilson, Ina Wheeler and Charles Rex Wolfe.

A loud, clear whistle and a thundering roar was the accompaniment to which the Red and White Hurricanettes completed their season with a record of successes that has not been equalled at Marion High School since the famous year of 1920.

Coordination and perfect teamwork, the result of hours of practice under the able coaching of Miss Elizabeth Cardwell, together with a fine spirit of good sportsmanship, have made 1942 an outstanding year in basketball history.

The basketball squad of Marion High ended their season with an excellent record, having been defeated in only five of sixteen major games. With no individual superiority and under the leadership of Coach Carmack and Captain Rhea Lawrence, the squad registered five hundred and thirty-four points over three hundred and fifty-seven points of their opponents. In the County Tournament, the locals were defeated by a small score, but were honored in defeat by having two of their squad, Rhea Lawrence and George Kiser, placed on the All-County team.

The Scarlet Hurricane, on September 26, 1942, whipped up in full fury, swept over all opposition, and continued throughout ensuing weeks without obstruction until in October it finally came upon the stampeding herd of Rich Valley steers and momentarily weakened. It soon regained strength, skillfully skimming over Radford, but lost power when it came in contact with the stormy Christiansburg team. The following week again brought forth a burst of power like a whirlwind, and eleven Pulaski Orioles were demolished. Then the Saltville jinx, followed by a strong Tazewell onslaught calmed the Hurricane down. Still remained that power of determination and again the wind rose, even more raging than ever, as it struck havoc over Galax on Thanksgiving.

The season being over, the Hurricane died down, gathering force for its blasts next year.

SPORTS

MONOGRAM CLUB

To win membership in the Monogram Club a student must maintain an attitude of true sportsmanship throughout the season—an attitude for the betterment and advancement of himself, his team, and his school. In awarding the honor the coach impresses these ideals upon the wearers of the coveted "M":

"Athletic insignia are individual honors conferred upon a student for meritorious service. They should always be worn with respect. The athlete who is awarded his letter joins the group of students who have been similarly honored in the past, and any misconduct upon his part is unfair and untrue to all other insignia wearers."

Letters are awarded in all branches of sports to athletes and managers who, in the judgment of the principal and coach, have met the required standards of excellence.

SENIOR PLAY

SENIOR PLAY

"America First", a play in three acts, was presented by the senior class in the high school auditorium on the evening of March 24, 1942.

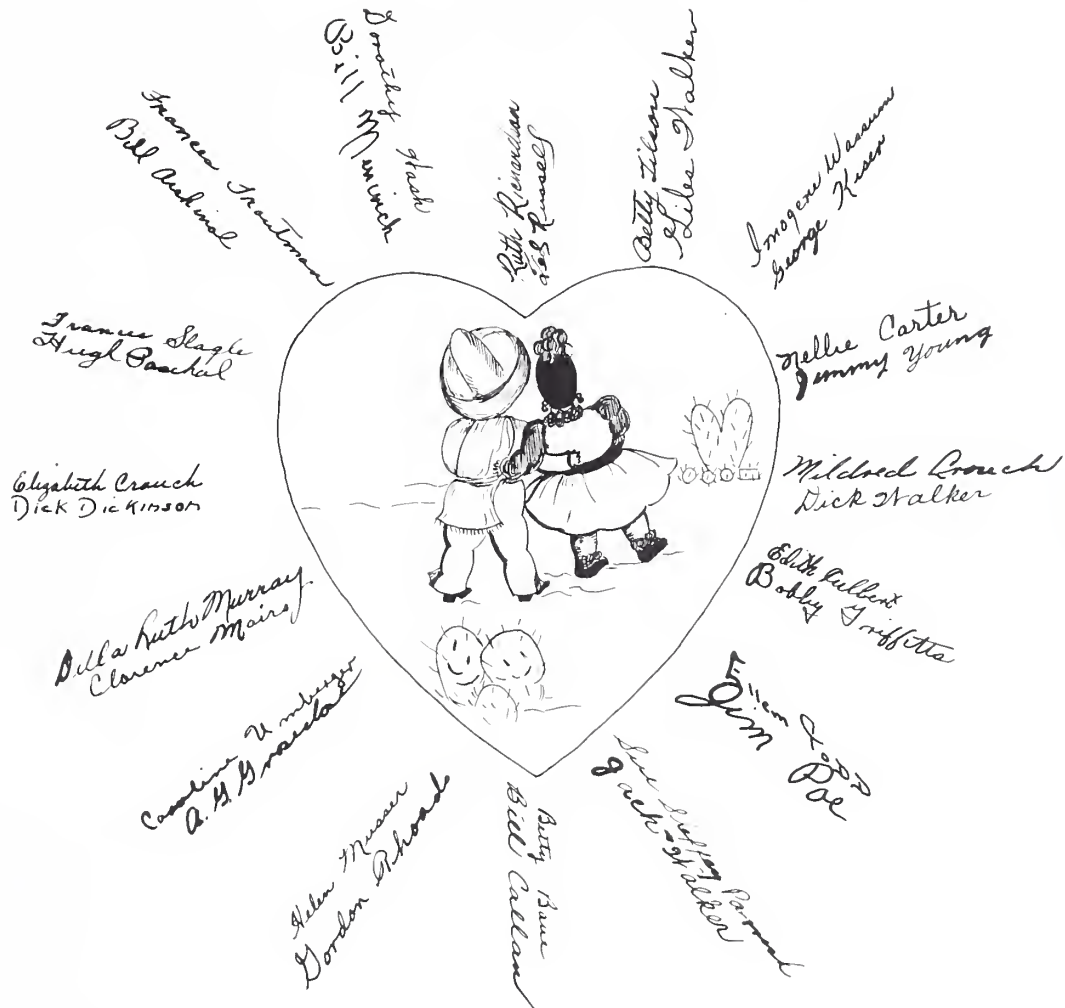

Directed by Miss Katherine Moomaw, the cast kept the lively plot of intrigue, young love, and family ups and downs moving swiftly until the final curtain. Between the acts members of the senior class sang patriotic songs, carrying out the timely theme of the production.
